

Name _____

Instructions: Log in to CareerStarter. You will explore two main areas to find career opportunities: **Opportunities** (for entry-level jobs) and **ApprenticeConnect** (for apprenticeships).

Searching for Entry-Level Jobs (Opportunities)

- Click on “Opportunities” in the navigation pane.
- Check if your location and trade preferences are automatically filled in based on your profile. If not, use the “Filter” button to set these manually.
- Spend time browsing jobs in your area and explore different trades you might be interested in.
- Review the application instructions for the jobs you found.
- Use the Worksheet to write down 2 jobs that catch your eye.

Searching for Apprenticeships (ApprenticeConnect)

- Click on “ApprenticeConnect” in the navigation pane.
- Use the “Filter” button to input your location, trade, and search radius manually.
- Spend time looking through the apprenticeship opportunities available near you and in trades you want to learn more about.
- Review the application instructions for the apprenticeships you found.
- Use the Worksheet to write down 2 apprenticeships that interest you.
